ISSUE 2

04/05/20

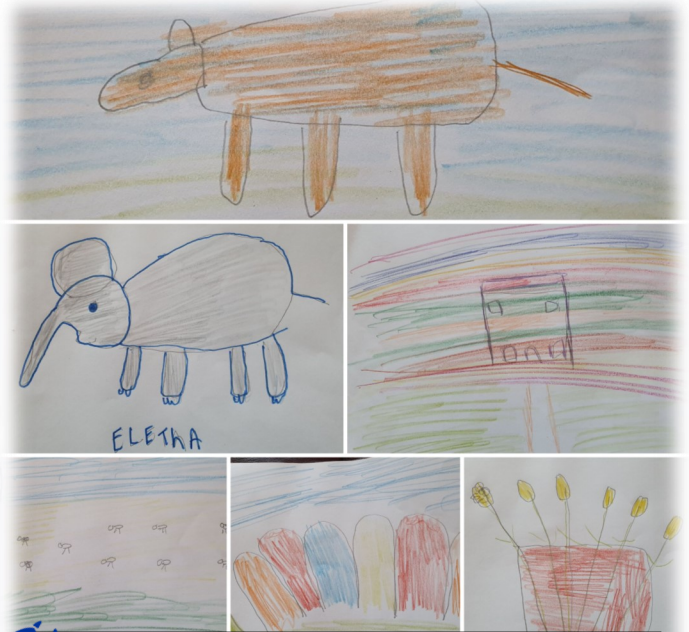

Hello, and welcome to the second edition of the Noah's A.R.T. Community Art Project newsletter! We hope you enjoyed the first edition, and thank you to everyone who contributed their artwork. Over the last couple of weeks, we have received lots more beautiful examples of your creativity and hard work, so much so that it won't all fit on these pages! So if you don't see your work in this edition, make sure to look out for it in the next one.
